

Yakama Nation Full Circle Scholarship Application

The *Yakama Nation Full Circle Scholarship (YNFCS)* award was designed with the understanding that Heritage University sits on the homelands of the Yakama Nation. To that end, as a tribal nation, the roots of the Yakama Nation tribal community remain deeply embedded in its commitment to sustain its people through education access. Heritage University understands and aligns with the Yakama Nation in this commitment as the founders so envisioned. The idea of “coming full circle” embodies the notion of how the *YNFC* scholarship leads back to the Treaty of 1855, Article 5; the education provisions for the people of the Yakama Nation. Heritage University honors that treaty obligation by offering the *YNFC* scholarship, hence, coming full circle.
